- Optional spring clinics and practices at the West Shore YMCA. Summer practices and home meets are held at the Indian Creek Pool.
- Excellent staff led by Coach Stacy Ireland, in her 9th year coaching our team.
- Skill appropriate practices for all levels from beginner through advanced.
- Program combines physical conditioning with focused stroke technique development.
- Membership at the Indian Creek pool is not required, but is available to everyone. The secluded setting is a great alternative to the crowds at other pools.

Join the summer fun and support your child through a GREAT season of swimming!
